Rhonda Allison EYE FIRM - 10ML

\$28.00

Wrinkle Diminisher

Men age more noticeably around the eyes due to the surrounding skin being thinner and more sensitive. That's why our stimulating formula enlists your skin's own self-regenerating mechanisms to directly target collagen-forming cells. The results: fewer wrinkles, firmer eye tissue, reduced puffiness and dark circles, and increased hydration. Eye Firm is a light cream with fast absorption and simple delivery that keeps the eyes looking younger and more rested.
