Rhonda Allison AGE Less - 1oz

\$95.00

The superior benefits of Rhonda Allison's™ unique serum is not a "miracle" ageless wonder product it is a very complex creation that has a goal to support skin in aging less. With continued long-term use a skin will begin to slow its aging process and maintain a healthier appearance. As well the name defines the very pulse of this formula as one that is designed to reduce AGE anti-glycation end-products.

Skin Type

Great for all skin types, AGE less awakens skin for a luminous, radiant glow.

- Minimizes redness and sensitivity
- Holistic antioxidant "goes directly to the cell"
- Repairs the loss of firmness and skin elasticity
- Diminishes inflammation and brightens skin
- Lessens signs of skin fatigue that accumulates over time

Ingredients

- **Albizia Julibrissin Bark Extract (and) Glycerin** - Reduces the cause and signs of fatigue on the skin, improves dermal fiber quality and the appearance of dark circles, under eye bags and drawn facial features.
- **Water (Aqua) - Glycerin - Steareth-20 - N-Hydroxysuccinimide - Chrysin - Palmitoyl Oligopeptide - Palmitoyl Tetrapeptide-7** - Reinforce firmness and tone and facilitates the elimination of blood pigments responsible for dark circle coloration and local inflammation.
- **Plantago Lanceolata Leaf Extract** - Repairs loss of firmness, elasticity and smoothes the skin; increases skin density and thickness, visibly brightening senile pigmented spots and prevents melanin overproduction by strengthening and soothing the melanocyte environment.
- **Glycerin / Rosmarinyl Glucoside / Caffeoyl Glucoside / Gallyl Glucoside** - A unique 5 in 1 active ingredient to prevent skin redness and improve rosacea; controls all the major skin inflammation factors,

reduces neovascularisation mechanisms while brightening skin tone. Tested under dermatological control, it is perfectly compatible for all types including sensitive, red and irritated skins.

- **Ergothioneine (L)** - A natural amino acid and antioxidant not incorporated into protein; a fungal metabolite found in many mammalian tissues. Generally regarded as an antioxidant and scavenger of hydrogen peroxide.
- **Magnolia Grandiflora Bark Extract** - A traditional Chinese medicine to treat cough, anxiety and allergic diseases; a broad spectrum anti-inflammatory.

Aqua (Water), Hamamelis Virginiana (Witch Hazel) Water, Glycerin, Alcohol, Albizia Julibrissin Bark Extract, Palmitoyl Tetrapeptide-7, Palmitoyl Oligopeptide, Fructooligosaccharides (D-Beta), Glucosamine HCl (D), Plantago Lanceolata Leaf Extract, Saccharomyces/Xylinum/Black Tea Ferment, Rosmarinyl Glucoside, Gallyl Glucoside, Caffeyl Glucoside, Ergothioneine (L), Magnolia Grandiflora Bark Extract, Chrysin, Hydroxyethylcellulose, N-Hydroxysuccinimide, Xanthan Gum, Caprylic/Capric Triglyceride, Caprylyl Glycol, Cetearyl Oliviate, Steareth-20, Sorbitan Oliviate, Alcohol Denat., Phenoxyethanol
